Phoenix, AZ - The **pub crawl tradition** lives on! For the fifth year, the Downtown Phoenix Partnership offers yet another way to Live It Up Downtown with six packed hours of nightlife on **October 22**. The crawl kicks off at 9 p.m. and ends with counting beads and an early morning breakfast for the most hardy.

What began with five bars and about 250 crawlers is now set to offer up 19 fun spots and welcome 1,000 people. And Downtown is ready for every single one of them. Trolleys will be running until 2 a.m. to usher partygoers to and from some of Downtown's favorite hot spots like Seamus McCaffery's and Majerle's Sports Grill and new hot spots such as the Tilted Kilt at Cityscape.

Every pub will provide a unique set of beads for crawlers to collect for prizes. Those with a competitive streak will have to scoop up as many as possible to win, but all participants will enjoy discounts and specials. Those who make it to the wee hours of the morning can refuel with a low-cost after-hours breakfast at Steve's Greenhouse Grill until 3a.m. A free gift to anyone who makes it this far!

Tickets are \$12 in advance; \$15 the day of the event. Everybody must check in at Adams St. between Central and 1st avenues to receive a Pub Crawl wristband. Check in starts at 10 a.m. and closes at 10 p.m. the day of the event. Must be 21 to participate.

So whether beer is the motivation, or a great time with friends in the city's urban core, the Downtown Phoenix Partnership and X103.9 are offering an incredible line up of places to party, hang out and create a few crazy memories or posts for your Facebook page. Just be careful about what your boss might see!
